

# 1-866-407-6190 Singapore Airlines Newark Office

Singapore Airlines does not maintain a standalone passenger ticket office in Newark, New Jersey. However, travelers based in Newark and the surrounding New Jersey area are fully supported through nearby airport operations, official reservation channels, and online customer service. Singapore Airlines' New York-area services are primarily centered at John F. Kennedy International Airport (JFK), while Newark passengers typically connect via JFK or other major U.S. gateways.

## Singapore Airlines Newark Office – Overview

There is no city-center or airport-based Singapore Airlines office at Newark for regular check-in or ticketing. Instead, Singapore Airlines assists Newark-area passengers through:

- Official U.S. reservations and customer support
- Airport counters at JFK Airport (New York)
- Online services via the airline's website and mobile app

This setup is common for international airlines that operate from select U.S. gateway airports rather than every regional airport.

## Nearest Singapore Airlines Airport Services for Newark Passengers

### John F. Kennedy International Airport (JFK) – New York

Singapore Airlines operates all New York-area flights from Terminal 4 at JFK, which is the primary in-person service location for passengers living in Newark or northern New Jersey.

Services available at JFK Terminal 4 include:

- In-person ticketing and reservations assistance
- Airport check-in and boarding pass issuance
- Baggage drop and baggage service support
- Flight changes, rebooking, and cancellations

- International travel document and visa checks
- KrisFlyer and PPS Club loyalty programme support
- Special assistance (wheelchairs, medical needs, families, unaccompanied minors)

**Tip:** Newark (EWR) to JFK transfers are commonly done by car, shuttle, or rail + taxi. Passengers should allow extra travel time when connecting from New Jersey to JFK for international departures.

## **How Newark Passengers Travel with Singapore Airlines**

Passengers departing from Newark typically follow this process:

1. Book flights via [singaporeair.com](https://www.singaporeair.com) or the U.S. reservations line
2. Depart from Newark Liberty International Airport (EWR) on a domestic or partner flight
3. Connect at JFK (or another Singapore Airlines gateway such as Chicago, Los Angeles, or San Francisco)
4. Continue on a Singapore Airlines long-haul international flight to Singapore and beyond

This routing allows Newark travelers to access Singapore Airlines' global network despite the absence of a local Newark office.
