Asheville Regional Airport (AVL) Context

Asheville Regional Airport (AVL) is the main airport serving Asheville and Western North Carolina, located at **61 Terminal Drive, Fletcher, NC**. It's a regional airport with a single terminal that supports several major airlines, including United, Delta, American, JetBlue, and others. ([Asheville Regional Airport](#))

United offers scheduled flights from AVL to connecting hubs such as **Chicago-O'Hare (ORD)**, **Newark (EWR)**, and other destinations, giving passengers access to United's broader domestic and international network. ([Asheville Regional Airport](#))

Passengers are generally advised to arrive at least **2 hours before domestic departures** to allow time for check-in, security screening, and boarding — especially during peak travel times. ([Asheville Regional Airport](#))
