About Palm Beach International Airport (PBI)

- United Airlines operates from **Terminal 8** at Palm Beach International, serving both domestic departures and arrivals. ([Terminals Map](#))
- The airport offers typical airline services including security screening, lounges, dining, and customer service desks. ([Terminals Map](#))
- United's presence there connects West Palm Beach with key cities across the U.S., often with flights to hubs like Newark, Chicago, and others. ([FlightMapper](#))

How to Get the Most from the Office

✓ **Arrive Early:**

Airport counters usually open based on flight schedules — arriving 2–3 hours before departure ensures you have time for check-in and any ticketing questions.

✓ **Use Online Tools First:**

United's official website and mobile app allow check-in, boarding passes, and flight status, which can cut down time at the counter. ([FlightOfficeWorld](#))

✓ **Call Ahead if Unsure:**

For specific issues (baggage, ticket changes, refunds), calling United's customer support line at **+1-800-864-8331** before you arrive can help clarify what's available in person.
