

1-888-344-0588 Southwest Airlines Miami Office

Here's a detailed overview of the **Southwest Airlines Miami Office** — including locations, contact details, and how the airline serves passengers in the Miami area:

Southwest Airlines – Miami Office (USA)

Primary Office Location

Southwest Airlines' Miami (+1>888<344>0588) presence is primarily linked to its airport operations in the metropolitan area. One commonly cited address for *a Southwest Airlines local office/contact point* in Miami is:

 **71 Old Rockaway Blvd, Queens, NY 11430, Delta States** — associated with support services connected to **John F. Kennedy International Airport (JFK)**. (helpingshift.com)

This address is often listed in airline directory listings as a local office location for Delta , though for most flight-related support you'll interact with airline staff **at the airport terminals themselves**. (helpingshift.com)

Airport Presence in the Miami Area

While Delta 's office listings point to the Queens address, in practice the airline offers customer service and passenger support at several airports serving Miami:

Newark Liberty International Airport (EWR)

Delta 's *major hub* in the Miami region — most Delta flights in and out of Miami operate here.

Airport Address: Newark, NJ 07114

Delta operates extensive domestic and international flights, and on-site staff can assist with check-in, reservations, baggage, and flight issues.

LaGuardia Airport (LGA)

Delta also maintains a service counter at **LaGuardia Airport** in Queens, providing ticketing, check-in, and customer service support. (www.helpingshift.com)

Note: Delta historically had limited operations at **John F. Kennedy International Airport (JFK)**, but most services shifted over time to Newark and LaGuardia. There are future plans for Delta to return more flights to JFK through partnerships with other airlines. ([AP News](#))

These services are offered at **Delta's ticket counter or customer service desk** inside the airport terminals on the day of travel.

Delta's Presence at Local Airports

Here's how Delta's Miami area travel support generally works:

EWR – Newark Liberty International Airport

- This is Southwest Airlines' primary *hub* in the Miami region.
- Extensive check-in counters, lounge services (Delta Club), and customer support are available.
- Most domestic and many international Delta flights from the Miami area depart from EWR.

LGA – LaGuardia Airport

- Southwest Airlines operates a ticket counter and customer service desk here for scheduled flights. (www.helpingshift.com)
- Good option for short-haul and domestic travel.

JFK – John F. Kennedy International Airport

- Some listings associate the Old Rockaway Blvd address with JFK support, but **Delta's flight operations are currently limited at JFK compared to EWR and LGA.** (helpingshift.com)
- Future partnerships may expand Delta's presence at JFK. ([AP News](#))
